

Suffolk Highways are planning to carry out improvement works in your area.

What will we be doing?	Phase 1 - Surface dressing Phase 2 - Reinstatement of road markings
Where will we be doing it?	Church Road, Pettaugh Framsden Road, Pettaugh Boundary Corner, Winston New Road, Framsden Ashfield Road, Framsden Main Road, Ashfield Cum Thorpe – From Ashfield Road to Thorpe Lane
What are the times and dates of the works?	Phase 1 – Tuesday 14 July to Thursday 16 July from 10am to 2pm Phase 2 – Saturday 8 August to Wednesday 12 August from 8pm to 5am
What traffic management will be in place?	While we are working, a road closure will be in place for the safety of highway users and our operatives. Surface dressing is a very quick process but is also weather dependent. We have scheduled a time window to give us the best chance of completing the work successfully. Please note that the road closure is unlikely to last for the entire duration stated above.
What is the diversion route?	A1120, A12, A1145, A146, A143, A140 & vice versa.

What do I need to do in advance?

To ensure these works commence and progress smoothly, please do not park your vehicle on the road shortly before they are scheduled to begin, as well as throughout their duration.

"No parking" cones will be placed on the road in advance to indicate where we will be working.

What do I need to know about the temporary road closure?

Road closures are sometimes essential for the safety of road users and our operatives. If you are based within the closure, we will maintain access where possible. However, there may be times when access is delayed or restricted. Please plan your journeys accordingly and speak to operatives on-site if you require further information.

The latest updates on our works can be found on the [One.Network](#) website.

Works were not carried out as advised. What is happening?

Sometimes we are unable to complete works as planned. This could be due to vehicles parked on the road, or because of a variety of other reasons often beyond our control.

If we need to make major changes to our works dates, we will update the information signs on site. You will also receive another letter advising of the new date in advance.

How do I contact you?

If you need more information, please call us on **0345 606 6171** or email customer.services@suffolk.gov.uk

You can also visit our website www.suffolk.gov.uk/highways to find out how we look after the roads in Suffolk, or to report any faults you find on our roads. For the latest information on all roadworks in Suffolk, go to one.network.
